MICHIGAN EDUCATION ASSOCIATION

Winter Conference

2020

FEBRUARY 6-7, 2020

RENAISSANCE CENTER, DETROIT

Greetings, MEA members and leaders!

Welcome to MEA's biggest conference of the year! Over the next two days, you will connect with colleagues from near and far and learn more than ever before.

Our lineup of presenters and sessions has never been more dynamic. You can always expect to find the latest and greatest information on bargaining strategies, legal issues, organizing initiatives, lobbying priorities, and member benefits at the MEA Winter Conference.

But there's also much to explore in professional and personal development. How can you and your members become influencers in your community? What is mindfulness, and how can it help you in your work? What are "high-leverage practices" that can boost your teaching effectiveness? How can you help students with traumatic experiences?

It's exciting to be at the helm of MEA as we build on our classic strengths with new programs and initiatives. But you know, some things never change.

Our union's strength resides in you—that has always been true.

Leaders and members joining together in solidarity make MEA an unwavering voice for school employees' rights, working conditions, and benefits; for best practices; for healthy neighborhood schools; and for social justice across our most vulnerable communities.

We face many challenges, but together we can meet them with courage and vision. Together we have the strength and capacity to improve lives by protecting and strengthening public education for our students and communities.

Enjoy MEA's Winter Conference 2020!

HOW TO REGISTER ONLINE:

To register online for the 2020 MEA Winter Conference, go to www.mea.org/members-only and log in.

Find the conference registration information under Upcoming Events. Online registration must be paid with a credit card. Each member must sign into the system separately in order to register. Because of the way the system works one person can't register multiple people; each person has to sign in to register themselves and pay at that time.

When registering online, you will be selecting your sessions and meals, so you do not need to put in more than one option (like you do on the actual registration form when mailing in). If a session is not listed for you to select, it is full and no longer available.

Should you have technical questions, please email MEA IT at meait@mea.org.

HOW TO COMPLETE REGISTRATION FORM TO SUBMIT VIA EMAIL OR US MAIL:

Select your first, second and third choice for each of the session series. This is to ensure that if some sessions are filled before your registration request is processed, you will be assigned sessions that interest you.

PLEASE NOTE: Some sessions continue into the next time block (e.g., 112-212); please check all time blocks that cover each session to avoid conflicting times.

If you do not plan to attend a session during a time slot or a meal, mark "NOT ATTENDING." **PLEASE DO NOT LEAVE ANYTHING BLANK** as this will result in a delay in processing your registration form.

ADDITIONAL INFORMATION:

Plan to register early since some sessions have limited enrollment. Substitutions and/or session/meal changes may be made by contacting the registration coordinator at conferences@mea.org.

CONFIRMATION EMAIL

All participants will receive a confirmation email. This is to confirm the sessions/meals you have registered to attend, as well as provide a receipt for payment at the bottom of the email.

If you do not receive a confirmation email—no matter how you register—please contact Carolyn Cortright at conferences@mea.org.

CANCELLATIONS

In the event you must cancel your registration for the conference, send request via email to conferences@mea.org with a quick explanation of why you are cancelling. All cancellation requests must be in writing.

MEA SCECHs & ESP Certificate Program Credit

DO YOU WANT/NEED SCECHS OR ESP CERTIFICATE PROGRAM CREDIT?

Select sessions that qualify for State Continuing Education Clock Hours (SCECH) credit are marked with .

Select sessions that qualify for ESP Certificate Program credit, in accordance with MEA-approved guidelines, are marked with ESP logo. .

See page 12 for qualifying sessions. Attendance must be verified by the presenter(s) or facilitator(s) at the close of each approved session.

For both types of credit, please note the procedures:

1: Pick up attendance form

YOU NO LONGER HAVE TO PRE-REGISTER TO RECEIVE SCECH OR ESP CERTIFICATE PROGRAM CREDIT.

Each conference attendee must pick up a SCECH & ESP Session Attendance form from the registration area on-site. It's that simple. Look for the sign that says "SCECH & ESP Session Attendance Forms available here".

2: Complete and submit attendance form at the conference

Most of the procedures to document attendance in approved sessions remain the same, that is, until you get to the final step. Please note the following:

- a. Give your form to the presenter or facilitator, if one is assigned, when you arrive at your qualifying session so he/she knows you are taking the course for credit. We suggest you arrive at your session a few minutes before the start of the session.
- b. Attend the full session.
- c. Pick up your signed form from the presenter/facilitator as proof you have attended that session for the entire allotted time.
- d. **Return your completed form to the registration area at the end of the conference or before leaving the conference.** Due to Michigan Department of Education regulations, **ALL SCECH AND ESP SESSION ATTENDANCE FORMS MUST BE TURNED IN BEFORE LEAVING THE CONFERENCE.** The forms will no longer be accepted via U.S. mail after the conference.

We hope that by streamlining this process, more members will be able to take advantage of the opportunity to receive free SCECH and ESP Certificate Program credit.

We look forward to seeing you at the conference!
