

The Michigan Education Association is the premier education organization in the state. It is made up of more than 1,000 local associations and is affiliated with the 3 million-member National Education Association (NEA), based in Washington, D.C.

MEA's mission is to ensure that the education of our students and the working environments of our members are of the highest quality.

The *MEA Voice* magazine is produced by staff for the benefit of our members. It takes its direction from and reflects the adopted policies of the MEA Representative Assembly and Board of Directors; it maintains a neutrality toward all internal politics of the association.

With a circulation of about 120,000, the *MEA Voice* is one of the most influential education publications in which to advertise.
