Last Updated: March 23, 2021

To look up details on bills, enter the bill number at [www.legislature.mi.gov](http://www.legislature.mi.gov).

For contact information for lawmakers, go to [www.mea.org/mylegislators](http://www.mea.org/mylegislators).

With inquiries and updates about this tracker, email MEA lobbyists Andy Neumann ([aneumann@mea.org](mailto:aneumann@mea.org)) or David Michelson ([dmichelson@mea.org](mailto:dmichelson@mea.org)).

NOTE: The "priority" set for the bills below does not reflect the relative importance of the issue for MEA; rather, they are a tool to help organize the many education and labor bills introduced in the Legislature. "High" priority bills are subject to ongoing legislative action or are of significant strategic importance for MEA. "Medium" priority bills are the topic of committee discussion and/or lobbying conversations in Lansing. "Low" priority bills are not being actively discussed but are being actively monitored by MEA. Bills without a priority status may be newly introduced or are lacking intel to otherwise set a priority level -- those bills do not appear in this report, but can be found on our complete legislative tracker by bill number at [www.mea.org/legislation](http://www.mea.org/legislation).
