### Apply for a Ballot to Vote From Home

You can request a no-reason absentee ballot to safely and securely Vote From Home. Visit **MEAVotes.org** to apply online, find timelines/local clerk information, and get status updates to ensure your ballot is received and counted.

#### **Contribute to MEA-PAC Online**

### Apply now to Vote From Home

On the back of this guide, you'll find a copy of the absentee voter application form — you can use this to request your ballot to Vote From Home (or apply online via **MEAVotes.org**).

### When is the deadline to apply for an absentee ballot?

Best practice is to apply as early as possible. Requests for an absent voter ballot must be received by your township or city clerk no later than 5 p.m. the Friday before the election. If you're already registered at your current address, you can request an absent voter ballot in person at your clerk's office anytime up to 4 p.m. on the day prior to the election.

### When do I need to deliver my ballot?

Again, submit your completed ballot as early as possible via U.S. Mail to your local clerk (no later than two weeks out from Election Day), using a secure ballot dropbox near you, or in-person at your clerk's office. Your completed absentee ballot must be received by your city or township clerk by 8 p.m. on Election Day.

### **MEA S&R**

MEA's Screening & Recommending (S&R)

process places control of MEA political recommendations in the hands of MEA members from across the state from diverse backgrounds and roles within the public education community. The process is governed by the MEA Political Action Committee (MEA-PAC) Council, made up of local delegates from MEA's 60+ coordinating councils.

Recommendation decisions are based on candidate responses to questionnaires and interviews regarding education and labor issues only.

Recommendations at the state level are made by the Statewide S&R Committee, which is composed of elected members from various parts of the state and job classifications.

The S&R process for legislative districts is controlled at the local level, where interviews and recommendation votes are taken by MEA members from those jurisdictions serving on local S&R Committees.

Recommendations for federal offices must also be confirmed by the board of the NEA Fund for Children and Public Education.
