**Please fill out the application to the best of your ability to be considered for a committee appointment and feel free to attach any supporting documents as necessary.**

You may apply to be on more than one committee in case we are unable to place you on a committee for any reason.

Many committees have guidelines within our governance documents that ensure we have adequate representation from all regions and different interest groups within our organization, which often does not allow a member to be placed on a certain committee at any given time.

We will strive to place members who are qualified, experienced, and motivated on all committees. This application does not guarantee placement on the committee in which you are applying; however, we will work to provide you an opportunity to be engaged and serve our organization.

**For what committee are you applying?** \_\_\_\_\_

I am applying to be a

- Chair of the Committee
- Vice Chair of the Committee
- Member of the Committee

**What qualifications do you have that make you a qualified candidate for this position?**

**Describe your experience related to this committee and any related projects/work that you have been a part of.**

**What ideas do you have for this committee and how do you think you could be an asset to this committee?**

**If you are not chosen for this committee for any reason, what other committees would you be interested in and why? Please indicate any qualifications, experience and ideas that you may have to be considered for any additional committees.**

**TO BE COMPLETED BY MEA BOARD MEMBER:**
