MEMORANDUM

TO: Representative Assembly Delegates
FROM: Matt DeWolf, Director of Finance
DATE: January 20, 2023
RE: Delegate Seating at the MEA Representative Assembly

The MEA Representative Assembly (RA) will be held April 21-22, 2023. The following reflects administrative policies regarding the seating of delegates:

1. **Delegate seating for locals whose individual members pay dues directly to MEA (IBL).**

The Credentials Committee shall seat delegates based upon each local's member-in-good-standing count as of March 1, 2023:

- a. Local and region leaders will be notified electronically of their preliminary member-in-good-standing counts and their resulting delegate eligibility as of January 1, 2023. Notice will be sent by January 20, 2023.
- b. Local and region leaders will be notified electronically in the 30-day RA mailing of their final member-in-good-standing counts and their resulting delegate eligibility as of March 1, 2023.
- c. Locals that realize an increase in their member-in-good-standing count prior to the RA may apply to the Credentials Committee to have the additional delegates seated according to the following schedule:
 - i. Locals with a total membership count of greater than 56, and a member-in-good-standing count below 56 as of March 1, 2023, may (until 14 days prior to the RA) request reinstatement of their delegate(s) if the local's member-in-good standing count on the ME678 report exceeds 55 members.
 - ii. Locals eligible for more than one delegate whose member-in-good-standing count as of March 1, 2023 is less than 226 but greater than 55, and whose member-in-good standing count subsequent to March 1, 2023, (as verified on the MEA ME678 report) qualifies for additional delegates, may apply to the Credentials Committee for seating of their additional delegates until the RA is called to order.

2. **Delegate seating for locals that transmit dues on behalf of its members (LBL).**

The Credentials Committee shall seat the delegates based on the local's report of members-in-good standing according to the following process:

- a. Local and region leaders will be notified electronically of their estimated preliminary member-in-good-standing counts based upon dues transmitted to MEA by each local and their resulting estimated delegate eligibility as of January 1, 2023. Notice will be sent by January 20, 2023.
- b. Local and region leaders will be notified electronically in the 30-day RA packet of their estimated final member-in-good-standing counts and their resulting delegate eligibility as of March 1, 2023.
- c. After receiving the March 1, 2023 estimated member-in-good-standing and delegate count, local presidents who believe their locals qualify for additional delegates may email mea_ra@mea.org to report their member-in-good standing counts based on the records of the local.
- d. Locals self-reporting a member-in-good standing count that is inconsistent with dues transmitted to MEA will be contacted to reconcile the discrepancy and determine correct seating eligibility.
- e. Locals that realize an increase in their member-in-good-standing count prior to the RA may apply to the Credentials Committee to have the additional delegates seated according to the following schedule:
 - i. Locals with a total membership count of greater than 56, and a member-in-good-standing count below 56 as of March 1, 2023, may (until 14 days prior to the RA) request reinstatement of their delegate(s) if the local's member-in-good standing count on the ME678 report exceeds 55 members.
 - ii. Locals eligible for more than one delegate whose member-in-good-standing count as of March 1, 2023 is less than 226 but greater than 55, and whose member-in-good standing count subsequent to March 1, 2023 (as verified on the MEA ME678 report) qualifies for additional delegates, may apply to the Credentials Committee for seating of their additional delegates until the RA is called to order.

3. Seating of Cluster Delegates and Alternates.

- a. Locals that, as of June 30, 2022, qualified for their own RA delegate(s), but whose March 1, 2023 member-in-good-standing count is less than 56, shall have the number of members in good standing added to the appropriate cluster from their region.
- b. If the addition of members under subparagraph a. above results in a cluster qualifying to seat an additional delegate(s), MEA will notify duly elected alternates that they may be seated at the RA. Final notice of seating for alternates will take place 14 days prior to the RA.
- c. Region presidents and cluster alternates will be notified by MEA of tentative seating eligibility following the March 1, 2023 count, and seating eligibility will be confirmed after the 14-day deadline for stand-alone units to have delegate seating reinstated.

If you have any questions about this report or the status of your association's account, please feel free to email mea_ra@mea.org or contact Matt DeWolf, MEA Director of Finance at 1-800-292-1934, ext. 5544.

RE: 2023 MEA RA Commission Elections

The following information will assist you in determining which regions are “in play” with respect to the upcoming commission elections at the 2023 MEA Representative Assembly (RA). As you know, our bylaws state “the membership of a commission shall at no time include more than two members from any one region of the Association.” Further, “this requirement shall not apply to NEA State Directors as members of commissions.”

At this time, we are accepting nominations for the Legislation Commission and the Local Affiliates Commission. Members may be nominated one of two ways: run from the floor of the RA or be nominated by petition of at least 15 delegates submitted to the MEA Executive Director by **April 6**. Nominating petitions are included in this email.

Legislation Commission

We will elect one member to fill a vacancy for a partial term beginning immediately and ending August 31, 2023. We will elect two members for three-year terms beginning September 1, 2023 and ending August 31, 2026.

One member from Region 7 (Deb Shoultz) is eligible to be nominated and re-elected. The other seat is currently vacant.

No members from Region 2 or 9 may be nominated and elected.

No more than one member from Region 4, 6, 7 or 8 may be nominated and elected.

MEA board members are ineligible for RA elected commission seats.

Local Affiliates Commission

We will elect one member to fill a vacancy for a partial term beginning immediately and ending August 31, 2023. We will elect two members for three-year terms beginning September 1, 2023 and ending August 31, 2026.

One member from Region 9 (Richard Jackson) is not eligible to be nominated and re-elected due to the six-year term limit. The other seat is currently vacant.

No members from Region 5, 6, 8, 9, or 12 may be nominated and elected.

No more than one member from Region 2 or 11 may be nominated and elected.

MEA board members are ineligible for RA elected commission seats.

Please look this Delegate Listing over carefully.

If your local's name is in **red – to cluster**, your local was moved to the EA or ESP cluster in your region since there are less than 56 current members in the local.

If your local's name is in **blue**, your local has at least 56 members, but there are not 56 members in good standing. As of March 1, there would need to be at least 56 members in good standing for your delegate to be seated at the MEA RA. If there are less than 56 members in good standing on March 1, your local member count will be moved to the EA or ESP cluster in your region for the RA.

If your delegate term date is in **red**, then your term expires before the MEA RA and we will need an updated election form in order to seat you. This listing reflects all current data for all locals. If a delegate/alternate is not listed that should be, please contact me ASAP.

Please call Sande Nightingale at 1-800-292-1934 ext 5489 with any questions.
