Greetings, MEA members and leaders! It is my great honor to welcome you to the 2024 MEA Winter Conference.

As the leader of this dynamic union, I remain energized by the commitment we share to strengthen public education and foster a new generation of committed educators. Just think of all we have accomplished since we were last together at this largest MEA conference of every year.

We are negotiating better wages and working conditions with school funding increases and collective bargaining restoration by

Gov. Gretchen Whitmer and the state Legislature. Together we also brought about universal free school meals, better teacher evaluations, and fixes to the third-grade reading law.

That's only to name a few, and we are just getting started.

We know school staffing and student behavior require attention, and MEA is working to advocate for your needs. You are helping to lead the way with your participation in this conference where networking and learning can inspire and assist you in solving challenges at home.

That is the beauty of our union: None of us is alone, and together we achieve great things. Today let's redouble our efforts toward creating a bright future for our profession and building a quality public education for all children. Working as one MEA, we are the change we need.

CENTER FOR LEADERSHIP & LEARNING

MEA Presidents' Academy

Presidents' Academy

Whether you are a brand-new president or have been around awhile - join us for an amazing group of leaders and network with presidents from locals just like yours!

Upcoming Trainings

**Wednesday, March 6, 2024 prior to the
Winter Conference at the Detroit Marriott.**

This session is for Presidents' Academy participants and any president who would like to join the academy.

Visit <https://forms.gle/CUPaLthQVu6Ez9MMA> if you are interested in attending.

Presidents' Academy Overview

The Presidents' Academy focuses on leadership development, relationship building, and acquiring the skills and knowledge to help build a full capacity local in partnership with their MEA UniServ or Executive Director. We invite all newly elected presidents to join the program as well as any president that would like to reengage with other leaders and continue their personal growth as a leader. You will be grouped with leaders in "like" locals to help build meaningful relationships. This will allow support with leaders that could be in similar situations and facing similar challenges.

The program is designed as a three-year cohort in which leaders will have common experiences to improve capacity and create a common language to help drive cultural change. Book studies, roundtable discussions, leader engagement activities, and meaningful trainings to help you complete and manage all the responsibilities of the local leader will be spread out over the program, which will be built into MEA's existing conferences. For those looking to renew a teaching certificate and to further support our local leaders, SCECH credits will be offered for many of the trainings.

After completing the program leaders will be invited to continue to stay connected, mentor new presidents, and continue their own personal growth as a leader. Participation in events is voluntary after the second year. This amazing program is a benefit to our members and a part of the Center for Leadership & Learning. Travel expenses will be paid including mileage, hotel, and a food allotment when food is not provided. For more information visit mea.org.

For more information contact Julie Dlugos at jdlugos@mea.org.

Awards for Human Rights & Excellence

Three awards will be presented during lunch on March 7.

David McMahon Human Rights

Outside individual or group accepting the challenge of more and ethical leadership in the field of human and civil rights.

This award recognizes individuals or groups outside the MEA which distinguish themselves by courageously accepting the challenge of moral and ethical leadership in the field of human and civil rights. Maurine Wyatt Feminist and Gender Equity

Committed to feminism and human and civil rights for all people and committed to the development of a project, program or study that promotes the value and talents of women.

This award honors educators, female and male, who exhibit a high degree of commitment in their professional and personal lives to human and civil rights. The work must contribute to gender equity in education and must be adaptable to the classroom.

Education Excellence

HOW TO REGISTER ONLINE:

To register online for MEA's 2024 Winter Conference, go to: mea.org/winterconference

Find the conference registration information under "Upcoming Events." Online Registrations can be paid with a credit card or the routing and account number of a checking or savings account. Each member must sign into the system separately in order to register. Because of the way the system works, one person cannot register multiple people; each person must sign in to register themselves and pay at that time.

When registering online, you will be selecting your sessions and meals; therefore, you do not need to enter/select more

than one option (like you do on the actual registration form when mailing in). If a session is not listed for you to select, it is full and no longer available.

Should you have technical questions, please email: meait@mea.org.

HOW TO COMPLETE REGISTRATION FORM TO SUBMIT VIA EMAIL OR US MAIL:

Select your first, second and third choices for each of the session series. This is to ensure that if sessions are filled before your registration request is processed, you will still be assigned to sessions that interest you.

PLEASE NOTE: Some sessions continue into the next time block (e.g., 113-213). Please check all time blocks for each session and look for conflicting times.

If you do not plan to attend a session during a time block or a meal, select "Not Attending" on the form. PLEASE DO NOT LEAVE ANYTHING BLANK as this will result in a delay in processing your registration form.

ADDITIONAL INFORMATION

Plan to register early due to limited enrollment in some sessions. Substitutions/changes to sessions and/or meals may be made by contacting the registration coordinator, Adrienne Puryear at conferences@mea.org, by Friday, Feb. 9, 2024, or at on-site registration. Changes received by Feb. 9 will be reflected in the registration packet.

CONFIRMATION EMAIL

All participants will receive a confirmation email. This will confirm the sessions/meals you have registered to attend, as well as provide a receipt for payment at the bottom of the email.

If you do not receive a confirmation email — no matter how you register — please contact Adrienne Puryear at conferences@mea.org.

CANCELLATIONS

In the event you must cancel your registration for the conference, please send a request via email to conferences@mea.org with a quick explanation of why you are cancelling. All cancellation requests must be in writing.

MEA SCECHs & ESP Certificate Programs

DO YOU WANT/NEED SCECHS OR ESP CERTIFICATE PROGRAM CREDIT?

Select sessions will qualify for State Continuing Education Clock Hours (SCECH) credits and are marked with . See information on page 13.

Attendance must be verified by the presenters or facilitators at the close of each SCECH-approved session.

Select sessions will qualify for ESP Certificate Program credit in accordance with MEA-approved guidelines. Those sessions that qualify for the ESP Certificate Program are marked with .

Attendance must be verified by the presenters or facilitators at the close of each approved session.

For both types of credit, please note the procedures to participate:

NUMBER 1: PICK UP ATTENDANCE FORM

YOU NO LONGER HAVE TO PRE-REGISTER TO RECEIVE SCECHs OR ESP CERTIFICATE PROGRAM CREDIT.

Each conference attendee must pick up a SCECH AND ESP Session Attendance form from the registration area before attending approved sessions. It's that simple.

NUMBER 2: COMPLETE AND SUBMIT ATTENDANCE FORM AT THE CONFERENCE

Most of the procedures to document attendance in approved sessions remain the same, that is, until you get to the final step. Please note the following:

- A. Give your form (SCECH or ESP) to the presenter or facilitator, if one is assigned, when you arrive at your SCECH or ESP Certificate approved session (that way they know you are taking the course for credit). We suggest you arrive at your session a few minutes before the start of the session.
- B. Attend the full session.
- C. Pick up your signed form from the presenter/facilitator as proof you have attended that session for the entire allotted time.
- D. Return your completed form to the registration area at the end of the conference or before leaving the conference. Due to Michigan Department of Education regulations, ALL SCECH AND ESP CERTIFICATE ATTENDANCE FORMS MUST BE TURNED IN BEFORE LEAVING THE CONFERENCE. The forms will no longer be accepted via U.S. Mail after the conference.

You will only receive credit for sessions that are approved for SCECH or ESP Certification as noted in the announcement and program.

We hope that by streamlining this process, more members will be able to take advantage of the opportunity to receive free SCECH and ESP Certificate credit.

We look forward to seeing you at the conference!
