RE: Delegate Seating at the MEA Representative Assembly (RA)

DATE: February 16, 2026

The MEA RA will be held April 17-18, 2026. The following reflects administrative policies regarding the seating of delegates:

[Delegate seating for locals whose individual members pay dues directly to MEA \(IBL and IPDD\)](#)

The Credentials Committee shall seat delegates based upon each local's member-in-good-standing count as of March 1, 2026:

- a. Local and region leaders will be notified electronically of their preliminary member-in-good-standing counts and their resulting delegate eligibility as of January 1, 2026. Notice will be sent by January 19, 2026.
- b. Local and region leaders will be notified electronically in the 30-day RA mailing of their final member-in-good-standing counts and their resulting delegate eligibility as of March 1, 2026.
- c. Locals that realize an increase in their member-in-good-standing count prior to the RA may apply to the Credentials Committee to have the additional delegates seated according to the following schedule:
 - i. Locals with a total membership count of greater than 56, and a member-in-good-standing count below 56 as of March 1, 2026, may (until 14 days prior to the RA) request reinstatement of their delegate(s) if the local's member-in-good-standing count on the ME678 report exceeds 55 members.
 - ii. Locals eligible for more than one delegate whose member-in-good-standing count as of March 1, 2026 is less than 226 but greater than 55, and whose member-in-good standing count after March 1, 2026, (as verified on the MEA ME678 report) qualifies for additional delegates, may apply to the Credentials Committee for seating of their additional delegates until the RA is called to order.

[Delegate seating for locals that transmit dues on behalf of its members \(LBL\)](#)

The Credentials Committee shall seat the delegates based on the local's report of members-in-good standing according to the following process:

- a. Local and region leaders will be notified electronically of their estimated preliminary member-in-good-standing counts based upon dues transmitted to MEA by each local and their resulting estimated delegate eligibility as of January 1, 2026. Notice will be sent by January 19, 2026.
- b. Local and region leaders will be notified electronically in the 30-day RA packet of their estimated final member-in-good-standing counts and their resulting delegate eligibility as of March 1, 2026.

More ►

- c. After receiving the March 1, 2026 estimated member-in-good-standing and delegate count, local presidents who believe their locals qualify for additional delegates may email mea_ra@mea.org to report their member-in-good-standing counts based on the records of the local.
- d. Locals self-reporting a member-in-good-standing count that is inconsistent with dues transmitted to MEA will be contacted to reconcile the discrepancy and determine correct seating eligibility.
- e. Locals that realize an increase in their member-in-good-standing count prior to the RA may apply to the Credentials Committee to have the additional delegates seated according to the following schedule:
 - i. Locals with a total membership count of greater than 56, and a member-in-good-standing count below 56 as of March 1, 2026, may (until 14 days prior to the RA) request reinstatement of their delegate(s) if the local's member-in-good-standing count on the ME678 report exceeds 55 members.
 - ii. Locals eligible for more than one delegate whose member-in-good-standing count as of March 1, 2026 is less than 226 but greater than 55, and whose member-in-good standing count after March 1, 2026 (as verified on the MEA ME678 report) qualifies for additional delegates, may apply to the Credentials Committee for seating of their additional delegates until the RA is called to order.

Seating of Cluster Delegates and Alternates

- a. Locals that, as of June 30, 2025, qualified for their own RA delegate(s), but whose March 1, 2026 member-in-good-standing count is less than 56, shall have the number of members in good standing added to the appropriate cluster from their region.
- b. If the addition of members under subparagraph a. above results in a cluster qualifying to seat an additional delegate(s), MEA will notify duly elected alternates that they may be seated at the RA. Final notice of seating for alternates will take place 14 days prior to the RA.
- c. Region presidents and cluster alternates will be notified by MEA of tentative seating eligibility following the March 1, 2026 count, and seating eligibility will be confirmed after the 14-day deadline for stand-alone units to have delegate seating reinstated.

If you have any questions about this report or the status of your association's account, please feel free to email mea_ra@mea.org or contact Angela Lanczynski, Member & Information Services Director, at 800-292-1934, ext. 4067.

RE: 2026 MEA RA Commission Elections

The following information will assist you in determining which regions are “in play” with respect to the upcoming commission elections at the 2026 MEA Representative Assembly (RA). As you know, our bylaws state “the membership of a commission shall at no time include more than two members from any one region of the Association.” Further, “this requirement shall not apply to NEA State Directors as members of commissions.”

At this time, we are accepting nominations for the Legislation Commission and the Local Affiliates Commission. Members may be nominated one of two ways: run from the floor of the RA or be nominated by petition of at least 15 delegates submitted to the MEA Executive Director by **April 3rd**. Nominating petitions are included in this delegate packet.

Legislation Commission

- We will elect **one member** for a partial term beginning immediately and ending August 31, 2028.
- We will elect **two members** for three-year terms beginning September 1, 2026 and ending August 31, 2029.

One member from Region 6 (Brad Wenz) is eligible to be nominated and re-elected.

One member from Region 7 (Joseph Humphrey) is eligible to be nominated and re-elected.

No more than one member from Regions 3, 5, 7, 9 or 10 may be nominated and elected.

No more members from Region 2 or 12 may be nominated and elected.

MEA Board members are ineligible for RA elected commission seats.

Local Affiliates Commission

- We will elect **two members** for three-year terms beginning September 1, 2026 and ending August 31, 2029.

One member from Region 7 (Richard Tabor) is eligible to be nominated and re-elected.

No more than one member from Regions 3, 11 or 12 may be nominated and elected.

No more members from Region 2, 5, 6, or 8 may be nominated and elected.

MEA Board members are ineligible for RA elected commission seats.

MEA RA DELEGATE BOOK

PLEASE REVIEW THE FOLLOWING DELEGATE LISTING CAREFULLY

Please Note:

Local Names in **Red – Moved to Cluster**

If your local's name appears in **red - to cluster**, it has been placed into the EA or ESP cluster for your region because it currently has fewer than 56 total members.

Local Names in **Blue** – Not Enough Members in Good Standing

If your local's name appears in **blue**, it has at least 56 total members, but fewer than 56 are members in good standing. To seat a delegate at the MEA RA, your local must have at least 56 members in good standing by March 1st. If your local has fewer than 56 members in good standing on March 1, it will be moved into the EA or ESP cluster for your region for the MEA RA, and your local will not be able to send a delegate.

Delegate Names and Term Dates in **Red** – Term Expired

If a delegate's name or term date appears in **red**, the term has expired. An updated election report is required before the delegate can be seated. Delegates with expired terms will not receive delegate emails or notifications until the updated election form is submitted. Election forms are available at www.mea.org/governance.

Please email election reports to mea_ra@mea.org

This list reflects all current data for all locals. Any errors or omissions are unintentional. If a delegate or alternate is missing from the list but should be included, please email mea_ra@mea.org ASAP.
