

CON-CON:

BAD FOR MICHIGAN

STUDENTS AND SCHOOLS

- In November 2026, Michigan voters will decide whether to convene a Constitutional Convention, commonly known as a Con-Con.
- **A Con-Con would cost nearly \$80 million** and open up the Michigan Constitution to changes big and small.

A RECIPE TO SIPHON TAXPAYER MONEY FROM PUBLIC SCHOOLS

A CON-CON WILL:

Slash funding for local schools

Force public school districts to consolidate

Privatize public schools

Special interests are poised to open the floodgates to privatize schools and turn them into for-profit entities if a Con-Con is approved in 2026.
