Title: Paper Copies of NBIs and Resolutions

Representing MEA Local/Region: 17

Text of proposal:

The MEA RA directs the MEA Leadership to provide paper copies of all New Business Items and New Resolutions to be considered at the Representative Assembly. Paper copies will be provided to each region to distribute to their delegates.

Rationale:

While technology is a fantastic tool, attempted use of internet resources becomes delayed and finding resources is difficult. Not having paper copies is a cost-saving initiative, but having uninformed delegates does not further the business of the assembly.
