New MEA Resolution # 1

Title: Driver Education

Submitted by: **Delegate's Name:** Jennifer Shelito, Region 11

Representing MEA Local/Region: MEA Resolutions Committee

Text of proposal:

The Michigan Education Association believes that driver education courses that include both classroom and behind-the-wheel experiences should be offered as part of the education of students and should be taught by teachers certified and licensed in driver education.

Rationale:

The Michigan Education Association's Resolutions document does not address driver education. The above language was adopted by the National Education Association at the 2025 Representative Assembly.
